## Index

ESD Dated September 2008  
Released: October 2008

Prepared by  
EPA New England  
Office of Site Remediation & Restoration

## **Introduction to the Collection**

This is the administrative record for the Rose Hill Regional Landfill Superfund Site, South Kingstown, Rhode Island, Explanation of Significant Differences (ESD) released September 2008. The file contains site-specific documents and a list of guidance documents used by EPA staff in selecting a response action at the site.

This record includes, by reference, the administrative record for the Rose Hill Regional Landfill ROD, issued December 1999 and the Removal, issued October 1992..

The administrative record file is available for review at:

EPA New England Office of  
Site Remediation & Restoration

As lead Agency in the cleanup of the Site, the Rhode Island Department of Environmental Management (RIDEM) may also be contacted at 235 Promenade Street, Providence, RI, 02908 or by calling (401) 222-2797, Ext. 7307 for an appointment to review this Administrative Record.

An administrative record file is required by the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), as amended by the Superfund Amendments and Reauthorization Act (SARA).

Please note that the compact disc(s) (CD) containing this Administrative Record may include index data and other metadata (hereinafter collectively referred to as metadata) to allow the user to conduct index searches and key word searches across all the files contained on the CD. All the information that appears in the metadata, including any dates associated with creation of the indexing data, is not part of the Administrative Record for the Site under CERCLA and shall not be construed as relevant to the documents that comprise the Administrative Record. This metadata is provided as a convenience for the user and is not part of the Administrative Record.

Questions about this administrative record file should be directed to either the EPA New England Remedial Project Manager or to the RIDEM Site Manager, as lead Agency for the Site.
